

Joint PhD Program

UQ-IITD Academy of Research

The University of Queensland (UQ), a top 50 global university, and the Indian Institute of Technology Delhi (IITD), an Institute of Eminence in India, have joined forces to create a joint PhD program that will support PhD scholars to deliver global impact.

Join the Academy

We are seeking applications from exceptional candidates with backgrounds in science, technology, engineering, mathematics, humanities and social sciences, for projects commencing in January 2021.

Learn more

- Visit our website: www.uqidar.org/future-students
- Register for a virtual information session at 11am (IST) Wednesday 6 October 2021:
<https://survey.app.uq.edu.au/info-session-i-students>
- Join our mailing list to be notified when applications open and receive academy updates and invitations to events:
<https://survey.app.uq.edu.au/register-your-interest>

Apply

All applicants must complete an online Expression of Interest (EOI) between 13 September - 17 October 2021 here: www.uqidar.org/apply

Through the UQ-IITD Academy of Research joint-PhD program, you can receive a scholarship to study at two world-leading, research-intensive institutions on multidisciplinary projects. By participating in the program you will gain:

- ✓ a generous **scholarship**
- ✓ global expertise via **dual supervision** between UQ and IITD as well as possible industry input
- ✓ access to world-class **facilities and resources** and exposure to a new research ecosystem, network and environment
- ✓ upon successful completion of the program, you will be offered a **jointly awarded Doctor of Philosophy (PhD)** from both UQ and IITD.
